Drug Screen Solutions has teamed up with Automatic Data Processing, Inc., to provide drug and alcohol testing services as part of pre-employment screening. ADP offers the broadest range of back-office solutions to help you increase productivity, ensure compliance, improve employee retention and control costs. By taking on employer-related functions that require extensive processing, recordkeeping, technology and up-to-date best practices, ADP helps free your time to focus on doing what you do best — growing your business.

The partnership also gives you access to ADP's Screening & Selection solutions which provides services on background screening to help you hire safe, honest and qualified employees. **Coupled with Drug Screen Solutions drug and alcohol testing the ADP partnership will bring you a comprehensive screening solution.**

As a Drug Screen Solutions client, you'll receive a significant discount on a comprehensive background screening package from ADP which includes:

- Identity Validations
- Criminal Court Record Searches
- Driving Records
- Credit Records
- Government Registries
- Workers' Compensation Records
- Reference Verifications
- Online Application and Testing

Employers can focus on Making Their Core Businesses More Productive when accurate, cost-efficient and flexible solutions for HR, Payroll and Benefits Administration are in place.

ADP offers solutions that are powerful, reduce costs, increase productivity and are ready to grow with your business. Equally important, you can count on ADP for unparalleled support and the most qualified and accessible service in our industry.
